Ref:--

From the Collector of Bellary letters No. 7624/46 P.2 dated 27-5-50, 28-9-50, 1-2-51 and 28-5-51.

The Bellary Central Co-operative Stores, Bellary was entrusted with the work of distributing the dehydrated potatoes received in certain centres in that district during 1946. It has claimed the reimbursement of the sum of Rs.1577--0--9, being the Railway freight and cartage charges incurred and the sales tax paid by it in connection with the distribution. The particulars of the claim have been given in the letter of the Collector of Bellary No. 7624/46 P.2 dated 27-5-50, a copy of which is enclosed.

2. The Collector has reported that the Stores claimed the amount in its petition dated 31-12-48 but that this petition was not received by him. The Secretary of the Stores reminded the Collector only on 9-11-1949 forwarding to him a copy of the petition dated 31-12-48. He regrets the delay. The Collector has certified that the claim made was not paid for previously. He also recommends that as the Stores did not derive any profit on the disposal of the dehydrated potatoes, the delay might be condoned and the claims which represent the charges actually incurred may be paid.

3. Further the Store has produced original vouchers only for the items of expenditure amounting to Rs.1237-3-0. It has given certificate only in respect of the other claims amounting to Rs.339-13--9. It has also stated that the original vouchers in respect of these items are not traceable. The vouchers and certificates are enclosed for reference and return. Regarding the claim for the payment of sales tax the Collector has stated that the Store could not collect the Sales-tax paid by it to the Government, as it was required to sell the dehydrated potatoes at the fixed rate of Re.0-4-0 per lb. He has also recommended that the claims made under general certificates may be admitted and the payment made. In the circumstances the Board requests the orders of the Government, whether the claims for Rs.1577.0.9 may be paid to the Stores.

Sub:--Dehydrated Potatoes - Bellary district - Received in 1946 - Incidentals incurred by the Wholesaler (The B.C.C. Stores) - Payment - Sanction - Requested.

Ref: 1. Board's Letter No. V. 1606/46-6 (CS) dated 7--9--1946.
2. Board's Letter No. 2210-L.IV accts. (CS)-4 d/25-10-46.
3. Board's Telegram No. V. 2274/46 dated 26--6--1947.
4. Board's letter No. 0702-V/47-3 (CS) dated 9--8--1947.

In the Board's letter cited second above, it was ordered that the Collectors should arrange to receive the cases of Dehydrated Potatoes by issuing credit-notes for the Railway Freight due and to draw on contingent bills at the treasury the incidental charges incurred in transporting the cases from the railway station and in distributing them to the retailers. Prior to the receipt of the above orders, however, that is, on 26-9-1946, the Tahsildars of Adoni, and Hospet, had been asked to hand over the stocks to the wholesaler (The B.C.C.Stores). Accordingly the Stores (Wholesaler) met the incidental charges.

2. It was ordered by the Board in its reference 3rd and 4th cited above, that a part of the stocks should be despatched to Coimbatore, Madura and Malabar districts. The B.C.C. Stores which held the stocks at Hospet Centre as stated above arranged for the despatch of 600 cases to Madurai district and 434 cases to Malabar district from Hospet and consequently incurred incidental charges.

3. At Rayadrug Centre, the Tahsildar, handed over the cases to the B.C.C.Stores which disposed of locally 130 cases. It has claimed sales tax paid by it on the sale proceeds of the 130 cases.

4. The claims for the incidental charges incurred by the B.C.C.Stores were received for the first time in this office on 27-12-1949. Certain discrepancies were noticed in the claims and clarification has since been obtained from the B.C.S. Stores. The following claims are found to be admissible and I request that sanction may be accorded for the payment of the total amount of Rs.1577--0--9 to the B.C.C. Stores by drawing it on a contingent bill at the Treasury. The details of the incidentals are noted below:--

Memorandum No.30183 G/51-2 dated 15 May, 1951.

Sub: CIVIL SUPPLIES - Dehydrated potatoes - Bellary District - Distribution by the Bellary Central Co-operative Stores - Certain items of expenditure - Reimbursement of.
Ref: From the Board of Revenue (Civil Supplies) reference No.73477 V/50 C.S. dated 25-4-1951.

The attention of the Board of Revenue (Civil Supplies) is invited to G.O.Ms.No.885 Food dated 12-10-1946. In view of the orders therein, it is not clear from the Board's reference cited, under what circumstances the Bellary Central Co-operative Stores, Bellary was entrusted with the work of distributing the dehydrated potatoes recieved in certain centres in that District. The Board is therefore requested to state the full circumstances of the case quoting Government references etc., wherever necessary, with particular reference to the following points:--

(i) It is observed that the Stores first put the claim on 31-12-1948 which was not received by the Collector and reminded the Collector in the matter only on 9-11-1949 and regretted the delay in doing so. It is not known what reasons the Stores advanced to justify the delay and whether they were satisfactory, and

(ii) Out of the total amount claimed viz. Rs.1,577-0--9, the Stores has produced original vouchers only for Rs.1,237-3-0. For the balance of Rs.339-13-9, only certificates have been furnished and the original vouchers are stated to be not traceable. The claim for Rs.339-13-9 made under the general certificates cannot perhaps be deemed to be genuine and admitted as such for payment.

2. The Board has not made any specific recommendation on the request of the Collector of Bellary to admit the claim of the Stores for the total amount of Rs.1577-0-9 but has submitted the case for the orders of the Government. The Board is requested to submit its specific recommendat

recommendation in the matter for the consideration of the Government.

2. Board's Ref.73477-V/50/50 dated 29-5-1951.

The points raised by Government in their memorandum cited above are answered below seriatum:-

Point (1):-

On receipt of Board's reference No.V/1606/46-C (CS) dated 7.9. 1946 intimating the allotment of dehydrated potatoes from Madras Harbour, instructions were issued in this office reference 7624/46 dated 26.9.46 to the Tahsildars of Hospet and Adoni to hand over the stocks to the wholesaler (Bellary Central Cooperative Stores). Subsequently Board's reference No. 210-L.IV accounts CS) 4 dated 25.10.46 and G.O.Ms.No.885, Food dated 12.12.46 containing instructions regarding the taking deliver of dehydrated potatoes by incurring expenditure from contingencies and entrusting the distribution to the retailers were received. Thus, I submit that the distribution had been entrusted to the B.C.C.Stores prior to the receipt of instructions from the Board and Government.

Point (2):-

As regards the delay made by the stores in reminding the Collector on 9-11-1949 after putting the claim on 31.12 .48, the Secretary says in his letter dated 24.1.51 (copy enclosed) it was due to oversight. Correspondence work in the office at Bellary Central Co-operative Stores is not generally prompt as it is manned by inexperienced clerks and the delay in reminding may be due to this. The delay may be condoned.

Point (3):-

Out of the amount of Rs.319-15-9 for which only certificates have been furnished by the Stores, an amount of Rs.73-12-9 relates to the sales tax paid by it and which was not recovered from the consumers as the stuff ordered to be sold at Re.0-4-3 per lb. The balance Rs.246-1-0. relates to the R.R. and incidental charges actually incurred by the stores in transporting the stuff from Railway station to godowns and in despatching the stocks outside the district. The expenditure is genuine. I request that the claim may be allowed.

We submit that the claim for the refund of Railway incidental charges incurred on Potatoe chips was preferred by us on [illegible] and by oversight the Collector could not be reminded till 9-11-1949. Again in this office letter dated 23.12.1949 the Collector was reminded a second time the recoupment of the Railway freight and incidental charges incurred. The delay is very much regret

2. In G.O. Ms.No.885 Food dated 12-10-1946, it was ordered that the dehydrated potatoes manufactured and imported on ~~the~~ Government account should be sold to the general public at the rate of 0-4-3 per lb., the price to the retailers of ~~the~~ ration shops being Re.0-4-0. The Board was requested to ascertain from the Collectors the requirements of dehydrated potatoes in each district and to arrange for the quick distribution of the stocks held in the godowns at Madras and Coimbatore. It was also ordered that the wholesale distribution should be done departmentally, the ~~cheques~~ charges on transport, storage etc., involved in such transactions being borne by the Government and that the ~~pr~~ frieght and incidental charges should be defrayed and accounted for in the manner laid down in para 3 of G.O.Ms.No.885 Food dated 12-10-1946. In view of these orders, it is not clear under what circumstances the Bellary Central Co-operative Stores, Bellary was entrusted with the work of distributing the dehydrated potatoes received in certain centres in that district. The Board may be asked to state the full circumstances of the case, quoting Government references etc., wherever necessary with particular reference to the following points:-

(i) It is ~~submitted~~ that the Stores fisrt put the claim on 31-12-1948, which was not received by the Collector and reminded the Collector in the matter only on 9-11-1949 and regretted the delay in doing so. have been furnished and the original vouchers ~~are~~ stated to be not traceable. The claim for Rs.339-13-9 made under general certificate ~~can kindly~~ Cannot perhaps be deemed as genuine and admitted as such for payment.

~~(ii) It is stated that the Stores was requested to sell the dehydrated potatoes at the fixed rate of Rs.0-4-0 per lb. Presumably Re.0-4-0 is a mistake for Rs.0-4-3 at which rate it was asked to be sold to the public.~~

3. It is observed that the Board has not made any specifi recommendation on the request of the Collector of Bellary to admit the claim of the Stores for the total amount of Rs.1,577-0-9, but ha submitted the case for the orders of the Government. The Board may be asked to submit ~~th~~ its specific recommendation for the consideration of the Governmeht.

The Collector has stated that the distribution had been entrusted to the Stores prior to the receipt of the instructions from the Board and the Government that the wholesale distribution should be done departmentally.
